Read Book *The More Beautiful World Our Hearts Know Is Possible* Charles Eisenstein

The More Beautiful World Our Hearts Know Is Possible was published in November 2013. It argues that many of the social, economic, political, and environmental problems covered in his earlier works can be traced to an underlying worldview that he calls the "Story of Separation"—that humans are separate from each other and from the rest of the natural world.

The More Beautiful World Our Hearts Know Is Possible ...

The More Beautiful World is a series of 5-minute guided audio reflections to help reflect on the year that was—and the year that can be. There's no "right" way to use these reflections. You can listen once a week for the next few weeks, or one each day. You can listen to them over and over, reflecting on something fresh each time.
